

GRAMPOND  
WITH CREED SCHOOL

Week beginning 5th June 2023

Gardening Club has returned and we couldn't have wished for better weather for it this week. Due to the amazing support of some of our parents, the children have been able to plant courgettes, peas, potatoes and lettuces. We were so proud of the team work amongst our younger and older pupils to plant, water and take care of the kitchen garden.

As a Church School, we are continue to look for ways we can develop our spirituality and appreciate God's creation. This week, to celebrate World Environment Day, the children spent the afternoon outside with Amy from the Cornwall Wildlife Trust in our wild space. We talked about what the environment meant to us, the impact we can have on the natural world around us and took part in a summer flower hunt.

Mrs Martin, Reading Lead, continues to monitor the progress your child is making in reading and as part of this, looks closely at how often pupils are reading and quizzes. We recognise that reading is a huge key indicator of the success of our pupils and therefore, reading at home is very important. Our expectations are that children read at home at least fives times a week. It is essential that your child brings their reading books and reading logs to school daily so we can continue to check this and support their reading journey further.

Have a lovely weekend.

Miss Jane

## This week's Awards

### Pedrevan

Esmee for following school rules all week.

### Lostledan

Chase for showing great perseverance with his learning all week and Leah for mastering swimming this week.

### Kwilkyn

Rhys for his efforts and progression in swimming this week.

A huge congratulations to Eva-Rose for her first performances of Annie with Kids R Us during the May half-term. Mr Nicholas was amazed at how you shone throughout the performance.

There is still chance to get tickets to support her and tickets

can be booked here [Events - Kidz R Us](#) We hope to see you there!

BE THE LIGHT  
MATTHEW 5:15

## **The Rainbow MAT Sponsored Rainbow Run**

On **Friday 16th June** all of our Rainbow schools will be holding a sponsored Rainbow Run event, to raise funds for the charity, Penhaligon's Friends and their own schools.

Penhaligon's Friends are a Cornish charity who support bereaved children, young people, parents and carers throughout the county. They also provide training and support for school staff, so we can effectively support and care for our pupils when they need us most.

### **What is a Rainbow Run?**

A Rainbow Run is a fun running (or walking) event where all of our pupils pass through paint stations and come out more colourful than when they entered! We use non-toxic powder paints.

### **What will my child need?**

The powder paint should be able to be washed out of clothing however there may be some chance of staining, so your child should wear an old t shirt and shorts.

### **How can I help?**

Helping your child to raise some sponsorship would be hugely appreciated by us as a school and Penhaligon's Friends. Every penny helps!

We would be grateful if you could return sponsorship by **Monday 19th June** .

There are still spaces for our stay and play sessions for families with young children looking for nursery or reception places for September. More details can be read below. For more information or session booking, please call the school office on 01726 882644.

Grampound with Creed

# Diary Dates

## June

Week beginning 12th June - Year 1  
phonics screening assessments take  
place

Week beginning 12th June - Year 4  
Times Table Check assessments take  
place

29th June - Year 6 transition day at  
the Roseland

30th June - Bowls Final at Bodmin

## July

3rd - 5th July - Year 5 and 6  
Residential to Porthpean

7th July - Sports Day 1:30pm

14th July - PFA Summer Fete

19th July - End of Year  
Performance

21st July - Last day of school (No  
after-school club)

**This week's  
Attendance**

Pedrevan

100%

Lostledan

96.15%

Kwilkyn

98.71%

## School Dinners

The cost for School Dinners is £2.41 which you order via Parentpay. If you are having problems, please contact the office.

**Breakfast Club** - 7:45am to 8:30am (£3.50)

**After School Club** - 3pm to 6pm (£3.00, £4.00 & £6.50) Please book your child either on Parentpay or contact the school office

## School Uniform

Uniform can be purchased from Cornwall Screenprint who can be contacted on 01726 68689 or email [infor@cornwallscreenprint.co.uk](mailto:infor@cornwallscreenprint.co.uk)

**School Office** - 01726 882644

## Wraparound Care

## Contact

## Inset Days

24th & 25th July 2023

## Sickness and Absences

Please be reminded that all absences must be reported by ringing the school office on 01726 882644. If your child has a cough or a cold they should still come to school unless you feel they are too unwell to be here; in which case they should stay at home and rest until they are well enough to return.

## Important Notice

Important Notice! Any clubs or organisations who we advertise through our Newsletter and are not affiliated with Grampound with Creed School are reminded that they must have the necessary insurance, qualifications and DBS checks in place. This is to ensure the welfare of the children and is not the responsibility of Grampound with Creed School.

If you are in need of some uniform we have a range of pre-loved items available for a donation. Please contact Mrs Warren on 07712262471 to discuss any items you need.

Please ensure that the school is informed before 2.45pm if anyone other than parents are collecting your child/ren.

If you have a number of people who pick up, please contact the office to ensure that we know who they

## **Summer Term After School Clubs**

Monday - Gardening Club with Mrs Martin

Tuesday - Wild Tribe with Mrs Hayes and Mrs Pryer

Tuesday - Art and DT Club with Mr Keyes

Tuesday - Striking and Fielding with Mr Webb and Mrs Mercer

Thursday - Performing Arts Club with Mr Nicholas

22nd, 23rd and 24th July 2024

# Guidance on infection prevention and control in schools and childcare settings<sup>#</sup>

Updated: November 2022

Remember you can help prevent the spread of infections by checking children have had their routine immunisations, maintaining a clean environment, and ensuring good personal hygiene (among staff and children), especially ensuring regular hand washing.

## UK Health Security Agency (UKHSA) Health Protection Team

For outbreaks or advice please contact the UKHSA South West Centre HPT on 0300 3038162 or email [SWHPT@UKHSA.GOV.UK](mailto:SWHPT@UKHSA.GOV.UK)

Rashes and skin infections	Recommended period to be kept away from school or childcare setting	Comments
Chickenpox and shingles	Five days from onset of rash and until all lesions have crusted over	Advise pregnant women to contact their GP if exposed and unsure if they have previously been infected
Cold Sores (Herpes Simplex)	None	Cold sores remain contagious until they are completely healed. They are generally mild and heal without treatment (7-10 days). Avoid kissing and close skin to skin contact of the sore - Don't share items that come into contact with the affected areas (cutlery / lip balm)
Hand, Foot and Mouth	None	Contact your UKHSA HPT if many children are affected. Exclusion may be considered in some circumstances
Impetigo	Until lesions are crusted over or 48 hours after antibiotic treatment has been started	Impetigo is highly infectious, and it is spread by direct contact. Antibiotic treatment speeds healing and reduces the infectious period
Measles*	Excluded as soon as measles is suspected until five days after the onset of rash	Contact UKHSA HPT as soon as measles cases are notified to the school. Preventable by immunisation (MMR x2 doses). Promote MMR for all pupils and staff. - Advise staff contacts who are pregnant, unimmunised or have weakened immune systems to contact their GP immediately
Molluscum contagiosum	None	A self-limiting condition. The lesions will resolve over time without any treatment
Parvovirus or Fifth disease (slapped cheek)	None (once rash has developed)	Request parents notify the school so that pregnant contacts can be advised to consult GP or midwife following exposure
Panton-Valentine Leucocidin (PVL)	None if they feel well	Individuals should not take part in contact sports or use communal gym equipment until their skin lesion has totally healed. For further guidance contact UKHSA HPT
Ringworm (incl foot ringworm - athlete's foot)	Exclusion is not required for individuals with athlete's foot. Individuals with skin and scalp ringworm can return to school once they have started treatment with anti-fungal agents	Treatment is required
Rubella (German Measles)*	Six days from onset of rash	Preventable by immunisation (MMR x2 doses). See UKHSA document above. Advise pregnant staff contacts to seek prompt advice from their GP
Scabies	Until after the first treatment has been completed	Household and close contacts require treatment at the same time. In the event of 2 or more suspected cases, contact UKHSA HPT
Scarlet Fever*	Exclude until 24 hours of appropriate antibiotic treatment complete	A person is infected for 2-3 weeks if antibiotics are not administered. In the event of 2 or more suspected cases, contact UKHSA HPT
Warts and Verrucas	None	Verrucas should be covered in swimming pools, gymnasiums and changing rooms

Respiratory infections	Recommended period to be kept away from school or childcare setting	Comments
COVID-19	Until temperature has resolved and they are well enough. If tested positive, child should stay home for 3 days.	Report outbreaks in line with local policy
Flu (Influenza)	Until recovered	Report outbreak to your local UKHSA HPT
Tuberculosis*	When diagnosed with TB a treatment team will assess whether other people are at risk of infection and require screening	Requires prolonged close contact for spread. Only pulmonary TB is infectious to others. Always consult your local UKHSA HPT before disseminating information to staff/carers
Whooping Cough* (Pertussis)	Until they have had 48 hours of appropriate antibiotic treatment and feel well enough to return. OR after 21 days from onset of illness if no antibiotic treatment has been taken	Preventable by vaccination. After treatment, non-infectious coughing may continue for many weeks. Your UKHSA HPT will organise any contact tracing necessary

Diarrhoea and vomiting illness	Recommended period to be kept away from school or childcare setting	Comments
Infectious Diarrhoea and Vomiting (Gastroenteritis) Bacteria Campylobacter Salmonella Shigella (bacillary dysentery) E.coli O157 Viruses Rotavirus Small round structured viruses (e.g. Norovirus or Winter Vomiting Disease) Parasites Cryptosporidium Giardia	Should be regarded as very infectious and must be kept away from school until the diarrhoea and vomiting has stopped for at least 48 hours They must have been passing normal stools for at least 48 hours Some Gastro infections (Like E.coli O157) require microbiology clearance and UKHSA will advise on these	An infection in the gut causing diarrhoea and vomiting (gastroenteritis) can be easily passed to others. Good hygiene, in particular handwashing and environmental cleaning, are important to minimise any danger of spread. Exclusion from swimming is advisable for two weeks after the diarrhoea has settled. If an outbreak occurs, consult UKHSA HPT A diarrhoea and vomiting checklist for schools can be found in the UKHSA health protection in schools guidance (QR code above)

Other infections	Recommended period to be kept away from school or childcare setting	Comments
Conjunctivitis (bacterial or viral)	Exclusion is not required unless they are particularly unwell	Advise parents to seek advice immediately if there is a possibility their baby has infective conjunctivitis. If an outbreak/cluster occurs, consult your UKHSA HPT
Diphtheria*	Exclusion is essential. Always consult with your UKHSA HPT	Preventable by vaccination. Family contacts must be excluded until cleared to return by your UKHSA HPT. UKHSA HPT will organise any contact tracing necessary
Glandular Fever	None	Spread is by saliva, usually through kissing or being in close contact with a carrier
Head Lice	None	Treatment is recommended only in cases where live lice have been seen
Hepatitis A*	Exclude until seven days after onset of jaundice (or seven days after symptom onset if no jaundice)	Household contacts of individuals with Hepatitis A may occasionally require exclusion from school. Contact local UKHSA HPT who will advise on any action needed
Hepatitis B*, C*, HIV/AIDS	None if they are well enough	Hepatitis B and C and HIV are blood borne viruses that are not infectious through casual contact. See UKHSA guidance document above
Meningococcal Meningitis*/Septicaemia*	Until recovered. There is no reason to exclude any siblings or other close contacts of the case from school	Meningitis ACWY and B are preventable by vaccination. Contact local UKHSA HPT who will advise on any action needed
Meningitis* due to other bacteria	Until recovered	Hib and Pneumococcal Meningitis are preventable by vaccination. Contact local UKHSA HPT who will advise on any action needed
Meningitis viral*	Until recovered There is no reason to exclude any siblings or other close contacts of the case from school	Milder illness than bacterial meningitis.
Mumps (paramyxovirus)*	Exclude child for five days after onset of swelling	It is very contagious and spread in saliva, the same way as a cold or flu. Preventable by vaccination (MMR x2 doses). Promote MMR to pupils and staff
Worm infestations (including hookworm, roundworm, tapeworm, threadworm, and whipworm)	None	Treatment is recommended for the child and household contacts

November 2022 (v2.008)

<sup>#</sup> Pre-school, nursery, or childminder

\* denotes a notifiable disease. It is a statutory requirement that doctors report a notifiable disease to the proper officer of the local authority (for some local authorities, this may be UKHSA) In addition, you may need to inform other regulating bodies, for example Office for Standards in Education (OFSTED) or Care Quality Commission (CQC). Please follow local policy.
