Science Adventures – Jasmine Cole

A family holiday treat! In their top-secret lab, the science fictionaries are trying to create the Ultimate Book of Science Stories! They are searching for the fizziest, flashiest, most marvellous science adventures, using experiments to make sure only the top tales make it into the Ultimate Book!

Using specially designed interactive technology, storytelling, puppets and music, this band of mad scientists have created a delightful hour long show for children aged 5 - 12 years. Join them on their quest and get involved with some highly interactive storytelling!

Tickets: children £5, adults £7 and family of four £20 available to reserve on 01726 883874 or buy from Grampound Store.

Sailing

Year 6 have been sailing at Percuil during this half term. The children have made some brilliant memories and learnt fantastic new skills. Our thanks to the Roseland Youth Sailing Trust and Bob at Paddle & Sail for making this possible.

Grampound Carnival

Carnival day itself will be filled with lots of exciting stalls, bouncy castles, food vans, children's entertainment and as mentioned above our village brewed Tremethick Ale bar. Happy hour will commence from 7.30-8.30 accompanied by a local jazz band and this years evening music will be provided by the very popular band Strawdogs.

We are always looking for help around Carnival with tasks such as setting up marquees on Friday 31st, doing bar shifts, helping on the gate and marshalling during the procession. If you could spare an hour or two please let a member of the committee know, we are always grateful of the extra hands.

Over the coming years we have noticed numbers are slowing starting to drop with entrants into the Carnival procession, have you ever considered entering yourself? Do you have children or grandchildren who love to dress up that might like to enter? You don't even have to spend a fortune on buying a costume - get some friends together and make them! We need to keep our numbers up so if you've ever considered entering but haven't yet, this year is the year to do it! Registration by 4.30 with judging at 5 - don't be late!
