

GRAMPOUND WITH CREED SCHOOL

Week beginning 13 January 2025

Pedrevan's "Creep, Crawl and Wriggle" topic launched this week with the children naming and exploring minibeasts they can locate within the local environment. Following this, we've been practising developing our mark making and observational skills.

Healthy Cornwall joined us this week as part of our science learning to support us to answer this week's key question "What is a healthy diet?" Thank you Mrs Bandara for organising a super interactive and engaging visit to support the children's knowledge and understanding!

A huge thank you to our nursery and reception families who signed up to our daily tooth-brushing club. It's been super to have everyone signed up and learning the importance of brushing teeth correctly with our youngest children in the school!

Don't forget our next FREE stay and play session for two and three year olds is next week on Thursday 22nd January at 10am - 11am.

We're looking forward to inviting parents of year five and six children into school on Thursday 23rd January to hear information about the upcoming trip to London. This meeting will be held in Kwilkyn classroom at 3:15pm.

Have a lovely weekend.

NHS Pharmacy First Service

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that can help children feel better and back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

Common condition	Patient eligibility
Earache	1 to 17 years

Infected insect bites and stings	1 year and over
Sore throats	5 years and over
