

GRAMPOUND WITH CREED SCHOOL

Week beginning 27th November 2023

It's been a chilly week! The decision to close early is never taken lightly – so we appreciate your support in ensuring our staff and pupils safety is made a priority with the weather in mind.

Kwilkyn had a fantastic day at the Eden Project this week! They had a great time in the Core learning about Charles Darwin, then went on a scavenger hunt in the Rainforest biome and played an evolution game! The staff were impressed with their behaviour and attitudes and were so proud of how they represented the school.

This term, we are continuing to work closely with the Education Welfare Officer to monitor attendance and punctuality. Registration is 8:45am and we therefore ask pupils to arrive at 8:30am when our first session begins. If your child arrives at school after this time, they will need to be accompanied by an adult into the main reception and signed into the late log for safeguarding reasons.

Thank you for your continued support with ensuring our attendance is made a priority at our school.

We hope you enjoyed visiting our Book Fair this week – a huge thanks goes to Mrs Martin and Elliott for organising this to promote a love for reading across our school community.

Have a great weekend.

Sickness and Absences

Please be reminded that all absences must be reported by ringing the school office on 01726 882644. If your child has a cough or a cold they should still come to school unless you feel they are too unwell to be here; in which case they should stay at home and rest until they are well enough to return.

Important Notice

Important Notice! Any clubs or organisations who we advertise through our Newsletter and are not affiliated with Grampound with Creed School are reminded that they must have the necessary insurance, qualifications and DBS checks in place. This is to ensure the welfare of the children and is not the responsibility of Grampound with Creed School.

If you are in need of some uniform we have a range of pre-loved items available for a donation. Please contact Mrs Warren on 07712262471 to discuss any items you need.

Please ensure that the school is informed before 2.45pm if anyone other than parents are collecting your child/ren.

If you have a number of people who pick up, please contact the office to ensure that we know who they are and that they have permission on that day.

Christmas Food Bank Appeal: Grampound with Creed CofE School

Over the past three years, Grampound with Creed CofE School have worked successfully alongside the community to donate over 75 Christmas Boxes to families around Cornwall.

Whilst we are saddened to hear that the Cornwall Christmas Box Appeal will not be running this year, we are still very passionate about making a difference and would like to organise a Food Bank collection on behalf of Grampound and our school.

We are asking for your support in making a food donation. All items will be collected by the school and delivered to Newquay Food Bank in time for Christmas, which we hope will offer support to those in need. If you would like to help, please ensure you follow the guidelines below:

- All donated items must have a use-by date which lasts beyond Christmas this year. Such dates are usually found on packets or tinned foods.
- Newquay Food Bank regularly update their website with a list of 'most needed items'. Please access the following link to check which foods would make a useful donation: <https://newquayfoodbank.org.uk/give-help/donate-food/>
- Please drop your food donations to Mrs Grubb or Emma in the office at Grampound with Creed CofE School by **Tuesday 5th December**.

With thanks for your support,

Grampound with Creed CofE School Staff and Pupils

Children Services for Christmas We need your help!!

The Crib service has been very popular at **5.30pm on Christmas Eve** in St Nun's. Families join together to celebrate the real reason for Christmas in a fun, child-led service.

But, we need some volunteers to play essential 'roles' in the nativity. If you are willing to allow your child to take part, please phone Paula Brunsdon on 07713 556859. Helpers are always very welcome.

Our other child-friendly service is **Christingle** (oranges, candles and sweets, plus favourite carols) on **Sun Dec 17th**. If the weather is good, there is a walk from the school with lanterns starting at 5.30 to Creed Church (bring torches). If weather is bad, just meet at the church at 6pm. Mulled wine for grown-ups afterwards!

Rashes and skin infections	Recommended period to be kept away from school or childcare setting	Comments
Chickenpox and shingles	Five days from onset of rash and until all lesions have crusted over	Advise pregnant women to contact their GP if exposed and unsure if they have previously been infected
Cold Sores (Herpes Simplex)	None	Cold sores remain contagious until they are completely healed. They are generally mild and heal without treatment (7-10 days). Avoid kissing and close skin to skin contact of the sore - Don't share items that come into contact with the affected areas (cutlery / lip balm)
Hand, Foot and Mouth	None	Contact your UKHSA HPT if many children are affected. Exclusion may be considered in some circumstances
Impetigo	Until lesions are crusted over or 48 hours after antibiotic treatment has been started	Impetigo is highly infectious, and it is spread by direct contact. Antibiotic treatment speeds healing and reduces the infectious period
Measles*	Excluded as soon as measles is suspected until five days after the onset of rash	Contact UKHSA HPT as soon as measles cases are notified to the school. Preventable by immunisation (MMR x2 doses). Promote MMR for all pupils and staff. - Advise staff contacts who are pregnant, unimmunised or have weakened immune systems to contact their GP immediately
Molluscum contagiosum	None	A self-limiting condition. The lesions will resolve over time without any treatment
Parvovirus or Fifth disease (slapped cheek)	None (once rash has developed)	Request parents notify the school so that pregnant contacts can be advised to consult GP or midwife following exposure
Panton-Valentine Leucocidin (PVL)	None if they feel well	Individuals should not take part in contact sports or use communal gym equipment until their skin lesion has totally healed. For further guidance contact UKHSA HPT
Ringworm (incl foot ringworm - athlete's foot)	Exclusion is not required for individuals with athlete's foot. Individuals with skin and scalp ringworm can return to school once they have started treatment with anti-fungal agents	Treatment is required
Rubella (German Measles)*	Six days from onset of rash	Preventable by immunisation (MMR x2 doses). See UKHSA document above. Advise pregnant staff contacts to seek prompt advice from their GP
Scabies	Until after the first treatment has been completed	Household and close contacts require treatment at the same time. In the event of 2 or more suspected cases, contact UKHSA HPT
Scarlet Fever*	Exclude until 24 hours of appropriate antibiotic treatment complete	A person is infected for 2-3 weeks if antibiotics are not administered. In the event of 2 or more suspected cases, contact UKHSA HPT
Warts and Verrucas	None	Verrucas should be covered in swimming pools, gymnasiums and changing rooms

Respiratory infections	Recommended period to be kept away from school or childcare setting	Comments
COVID-19	Until temperature has resolved and they are well enough. If tested positive, child should stay home for 3 days.	Report outbreaks in line with local policy
Flu (Influenza)	Until recovered	Report outbreak to your local UKHSA HPT
Tuberculosis*	When diagnosed with TB a treatment team will assess whether other people are at risk of infection and require screening	Requires prolonged close contact for spread. Only pulmonary TB is infectious to others. Always consult your local UKHSA HPT before disseminating information to staff/carers
Whooping Cough* (Pertussis)	Until they have had 48 hours of appropriate antibiotic treatment and feel well enough to return. OR after 21 days from onset of illness if no antibiotic treatment has been taken	Preventable by vaccination. After treatment, non-infectious coughing may continue for many weeks. Your UKHSA HPT will organise any contact tracing necessary

Diarrhoea and vomiting illness	Recommended period to be kept away from school or childcare setting	Comments
Infectious Diarrhoea and Vomiting (Gastroenteritis) Bacteria Campylobacter Salmonella Shigella (bacillary dysentery) E.coli O157 Viruses Rotavirus Small round structured viruses (e.g. Norovirus or Winter Vomiting Disease) Parasites Cryptosporidium Giardia	Should be regarded as very infectious and must be kept away from school until the diarrhoea and vomiting has stopped for at least 48 hours They must have been passing normal stools for at least 48 hours Some Gastro infections (Like E.coli O157) require microbiology clearance and UKHSA will advise on these	An infection in the gut causing diarrhoea and vomiting (gastroenteritis) can be easily passed to others. Good hygiene, in particular handwashing and environmental cleaning, are important to minimise any danger of spread. Exclusion from swimming is advisable for two weeks after the diarrhoea has settled. If an outbreak occurs, consult UKHSA HPT A diarrhoea and vomiting checklist for schools can be found in the UKHSA health protection in schools guidance (QR code above)

Other infections	Recommended period to be kept away from school or childcare setting	Comments
Conjunctivitis (bacterial or viral)	Exclusion is not required unless they are particularly unwell	Advise parents to seek advice immediately if there is a possibility their baby has infective conjunctivitis. If an outbreak/cluster occurs, consult your UKHSA HPT
Diphtheria*	Exclusion is essential. Always consult with your UKHSA HPT	Preventable by vaccination. Family contacts must be excluded until cleared to return by your UKHSA HPT. UKHSA HPT will organise any contact tracing necessary
Glandular Fever	None	Spread is by saliva, usually through kissing or being in close contact with a carrier
Head Lice	None	Treatment is recommended only in cases where live lice have been seen
Hepatitis A*	Exclude until seven days after onset of jaundice (or seven days after symptom onset if no jaundice)	Household contacts of individuals with Hepatitis A may occasionally require exclusion from school. Contact local UKHSA HPT who will advise on any action needed
Hepatitis B*, C*, HIV/AIDS	None if they are well enough	Hepatitis B and C and HIV are blood borne viruses that are not infectious through casual contact. See UKHSA guidance document above
Meningococcal Meningitis*/Septicaemia*	Until recovered. There is no reason to exclude any siblings or other close contacts of the case from school	Meningitis ACWY and B are preventable by vaccination. Contact local UKHSA HPT who will advise on any action needed
Meningitis* due to other bacteria	Until recovered	Hib and Pneumococcal Meningitis are preventable by vaccination. Contact local UKHSA HPT who will advise on any action needed
Meningitis viral*	Until recovered There is no reason to exclude any siblings or other close contacts of the case from school	Milder illness than bacterial meningitis.
Mumps (paramyxovirus)*	Exclude child for five days after onset of swelling	It is very contagious and spread in saliva, the same way as a cold or flu. Preventable by vaccination (MMR x2 doses). Promote MMR to pupils and staff
Worm infestations (including hookworm, roundworm, tapeworm, threadworm, and whipworm)	None	Treatment is recommended for the child and household contacts
