## Spring Term Newsletter Issue 16 - 18th March 2022

### Message from Ms Jarrett

Dear parents and carers,

We have had another couple of busy weeks with lots going on in each class.

The children celebrated National Careers Week by looking at a variety of jobs that people do and starting to think about what they might like to do when they are older... Pedrean class decided to dress up as their chosen Career last Friday and we had some very exciting choices!

We were extremely lucky to have some visitors to our school who shared information about their chosen careers and the path they took in order to reach their goals...

Mr and Mrs Springle talked about being professional photographers and running their own business, Dr Jenkins told the children all about his career as a doctor and also about other careers in medicine. Finally, Reverend Paul Salaman spoke to the children about his career journey through a variety of roles including living abroad in Africa.

Each session was both interesting and inspiring for the children and I would like to say a huge thank you to all those who gave up their time to come in and talk to us.

It has been lovely to see the sun again after so much stormy and cold weather. I sincerely hope that it lasts and we can all enjoy a warm and relaxing weekend with our families.

With very best wishes,

Caroline Jarrett

### Front Garden

As you might have noticed, the front garden is starting to look different. The garden has always been a huge task to keep on top of, but thanks to Nikki Warren, one of our kind parents, there is now a plan in place to 'revamp' the space and turn it into a more useable garden, which the children will eventually use to grow their own produce!

As part of the plans, we are looking for donations of the following items:

Treated timber to create some more raised beds  
Giant plant pots  
Bird bath  
Hedgehog house  
Swallow nests  
Bird seed

If you are able to donate any of these items, this would be thoroughly appreciated!

Thank you
