

# GRAMPOUND WITH CREED SCHOOL

Week beginning 8th July 2024

We are really grateful to everyone who attended our sports day this week. The sun shone and the children worked brilliantly together in their house teams to support each other during their morning sports activities. It was really special to see so many parents join in with our parent races and to see the older children support the younger children so well. Thanks again goes to Mrs Grubb for organising the day!

We are really looking forward to seeing many of you at the summer fair this afternoon. We are keeping our fingers crossed for positive weather and want to express our gratitude to the amazing PFA who are committed to organising events such as this to raise all important funds for our children to contribute to their resources and experiences.

As we reach the final week of term, we are excited to invite you in for our production of The Wizard of Oz and for our Year 6 leavers assembly on Friday afternoon.

Have a great weekend.

## Please see the letter below from the Music Service

Dear Parents/Carers,

This year Cornwall Music Service Trust is delighted to be able to offer; guitar and ukulele lessons at Grampound with Creed School. The lessons take place in school afternoons and are centred on the student's interests. In lessons students discover their preferred styles and aspirations whilst learning how to play a musical instrument in different genres and styles in a friendly and nurturing setting.

Numerous studies have shown that learning a musical instrument is a powerful tool in improving student's performances in all subjects. Learning music gives a child a sense of achievement and allows them to express their creativity whilst improving listening, motor and memory skills.

Guitars and Ukuleles can be purchased or hired from the Cornwall Music Education Hub. A piano is provided for lessons in school but will need to be hired or purchased for home. There are lessons of different group sizes and length available through Cornwall Music Trust, with subsidies available to students; in care, on free school meals, in receipt of DLA or parents serving in the armed forces.

If you would like more information about music lessons at Grampound with Creed Primary school please email me at [eroberts@cornwallmusicservicetrust.org](mailto:eroberts@cornwallmusicservicetrust.org) in the first instance.

Many Thanks

Ed Roberts

Rashes and skin infections	Recommended period to be kept away from school or childcare setting	Comments
Chickenpox and shingles	Five days from onset of rash and until all lesions have crusted over	Advise pregnant women to contact their GP if exposed and unsure if they have previously been infected
Cold Sores (Herpes Simplex)	None	Cold sores remain contagious until they are completely healed. They are generally mild and heal without treatment (7-10 days). Avoid kissing and close skin to skin contact of the sore - Don't share items that come into contact with the affected areas (cutlery / lip balm)
Hand, Foot and Mouth	None	Contact your UKHSA HPT if many children are affected. Exclusion may be considered in some circumstances
Impetigo	Until lesions are crusted over or 48 hours after antibiotic treatment has been started	Impetigo is highly infectious, and it is spread by direct contact. Antibiotic treatment speeds healing and reduces the infectious period
Measles*	Excluded as soon as measles is suspected until five days after the onset of rash	Contact UKHSA HPT as soon as measles cases are notified to the school. Preventable by immunisation (MMR x2 doses). Promote MMR for all pupils and staff. - Advise staff contacts who are pregnant, unimmunised or have weakened immune systems to contact their GP immediately
Molluscum contagiosum	None	A self-limiting condition. The lesions will resolve over time without any treatment
Parvovirus or Fifth disease (slapped cheek)	None (once rash has developed)	Request parents notify the school so that pregnant contacts can be advised to consult GP or midwife following exposure
Panton-Valentine Leucocidin (PVL)	None if they feel well	Individuals should not take part in contact sports or use communal gym equipment until their skin lesion has totally healed. For further guidance contact UKHSA HPT
Ringworm (incl foot ringworm - athlete's foot)	Exclusion is not required for individuals with athlete's foot. Individuals with skin and scalp ringworm can return to school once they have started treatment with anti-fungal agents	Treatment is required
Rubella (German Measles)*	Six days from onset of rash	Preventable by immunisation (MMR x2 doses). See UKHSA document above. Advise pregnant staff contacts to seek prompt advice from their GP

Only pulmonary TB is infectious to others. Always consult your local UKHSA HPT before disseminating information to staff/carers
Whooping Cough* (Pertussis)	Until they have had 48 hours of appropriate antibiotic treatment and feel well enough to return. OR after 21 days from onset of illness if no antibiotic treatment has been taken	Preventable by vaccination. After treatment, non-infectious coughing may continue for many weeks. Your UKHSA HPT will organise any contact tracing necessary

Diarrhoea and vomiting illness	Recommended period to be kept away from school or childcare setting	Comments
Infectious Diarrhoea and Vomiting (Gastroenteritis)		
Bacteria Campylobacter Salmonella Shigella (bacillary dysentery) E.coli O157	Should be regarded as very infectious and must be kept away from school until the diarrhoea and vomiting has stopped for at least 48 hours	An infection in the gut causing diarrhoea and vomiting (gastroenteritis) can be easily passed to others. Good hygiene, in particular handwashing and environmental cleaning, are important to minimise any danger of spread. Exclusion from swimming is advisable for two weeks after the diarrhoea has settled.
