

AUTUMN TERM - NEWSLETTER - Issue 11 – 4 December

Dear Parents and Carers,
Another week has flown by and already we are putting up Christmas decorations, thinking about cards and performances, and looking forward to the festive break. I would like to thank Sarah Daniel at Pengelly Garden Centre for kindly donating our trees again this year—they look wonderful.

The children are continuing to be an absolute credit to our school; they are positive, happy and hardworking. I am delighted every week to speak to the children via zoom at our 'Celebration Collective Worship' and hear about all the exciting things that they have been up to recently.

You will notice on page 2 of this newsletter that we have a new incentive, our weekly walkers, which is a whole school approach to exercise and wellbeing using our new step counters. This week the children across the school put together their weekly step totals to make over one million steps!

1.196,396 to be precise...

As we all know, exercise is a key to promoting both physical and mental wellbeing and we are very proud of the efforts the children have put in to reach this total...

I wonder what the total will be for next week?

With best wishes for a lovely weekend,
Caroline Jarrett

Christmas Cards

If the children would like to write and hand out Christmas cards for others at school this year, we would like to ask that all cards are brought into school by Friday 11th December.

To ensure this will be done safely, the cards will be placed into a central box, then sorted on Friday 11th into three piles (one for each class). The piles will then be left for 72 hours, before the cards are then handed out in their classrooms.

Hopefully these precautions will ensure that our Christmas cards can be handed out safely.

Thank you
