Autumn Term Newsletter Issue 10 – 25th November 2022

The Visit from the Bishop

This week, we had a special visit from Bishop Phillip! On Wednesday, he joined the School Council for lunch, joined the children for RE and led a Collective Worship about how he has been the light within the community throughout his life. He very much enjoyed his day and said it was a joy to have spent the day with the children and staff.

The School Council were able to talk confidently with him about the difference they had made since being elected at the start of the year and the hopes and plans they have to make the school happier, safer and improved. The children represented the school proudly.

The Christmas Countdown

Christmas performance preparations are well underway and this year's show is not to be missed. Your child should have brought home a letter about their part and details about how to book tickets for the performances on Wednesday 14th December at 1:30pm and 6pm. Don't forget to email or call Emma in the office to book your tickets!

Attendance

This week, we had our first meeting of the year with the Education Welfare Officer (EWO) to discuss and monitor attendance. As a result of this meeting, there are a few reminders we need to share with you to ensure you are fully informed about attendance expectations.

-Registration is at 8:45am. After this time, we are required to mark children as late on our registers. If a child arrives after 9am, we are asked to record this as an unauthorised absence. Therefore, we strongly encourage that your child arrives as close to 8:30am as possible when gates open.

-The Department of Education no longer allows Heads to grant any leave of absence during term time unless there are exceptional circumstances. If you consider that your request for absence is exceptional, you must complete a form in the school office. A response will be sent to you as soon as possible. If leave is not authorised and you nevertheless withdraw your child from school, the absence will be recorded as unauthorised absence.

-We ask that you do not report an absence via dojo or email. Instead, you must call the school office and explain the reason for the absence. If your child is ill, you should contact the office every day throughout their absence.

Thank you for your continued support.

CHRISTMAS JUMPER DAY

8 DECEMBER 2022

DEAR PARENT/GUARDIAN,

On Thursday 8th December, our school will be taking part in Save the Children's Christmas Jumper Day. We know times are tough, so please remember that donations are optional (it's having tons of fun that's mandatory!), and any amount you can spare - 10p, 20p, 50p makes you an awesome fundraiser. Also, this year, whatever anyone donates will make double the difference because the UK government is going to match all donations to Christmas Jumper Day between 1st December and 1st March! All that extra cash will go towards a wonderful cause, helping 200,000 mums and babies in Kenya get the food and medicine they need! (That's a lot of mums and babies!)

Remember, there's no need to buy a new jumper. You could upcycle an old jumper, get crafty or head to your local charity shop to buy a pre-loved festive knit. If you want to get creative and decorate a jumper, the Christmas Jumper Day website contains lots of fun craft ideas.

We'd appreciate your support to make Save the Children's Christmas Jumper Day a success. Together, we can make the world better with a sweater.

Thank you for your support.

At Grampound with Creed, reading is a priority. We are dedicated to helping children to love reading, both in their early years of reading, but also for the rest of their lives. Our staff recognise that '**Reading for pleasure is the single most important indicator of a child's future success**' (Organisation for Economic Co-operation and Development, 2002) and that reading encourages imagination, empathy and mindfulness of others.

Each week, we'll be celebrating the children who've been noticed for a special achievement in reading.

This week's reading awards go to...

Brass Lessons

Dear Parents/Carers,

At Grampound with Creed Primary school music instrumental lessons are offered on brass instruments with Cornwall Music Service Trust. The lessons take place on Tuesday afternoons and are centred on the student's interests. In lessons students discover their preferred styles and aspirations whilst learning how to play a musical instrument in all genres and styles.

Numerous studies have shown that learning a musical instrument is a powerful tool in improving student's performances in all subjects. Learning music gives a child a sense of achievement and allows them to express their creativity whilst improving listening, coordination and memory skills.

A selection of Brass instruments can be hired from the Cornwall Music Education Hub. There are lessons of different group sizes and length available through Cornwall Music Trust, with subsidies available to students; in care, on free school meals, in receipt of DLA or parents serving in the armed forces.

Any student who is interested will receive a free trial lesson to try the instruments and see if they would like to learn.

If you would like more information about music lessons at Grampound with Creed Primary school please email me at eroberts@cornwallmusicservicetrust.org or if you would like to sign you child up please visit <https://cmst.co.uk/signup>

Many Thanks
