

SUMMER TERM - NEWSLETTER - Issue 27 - 21st May

Together we grow in God's love... Loving, Learning, Living

Message from Ms Jarrett

Dear Parents and Carers,
I hope you have enjoyed the first few days of reduced restrictions and are looking forward to a weekend with a little more freedom since the change in government guidelines on Monday.

We are delighted that things are moving towards a more sociable and 'normal' way of life, but we are also very aware that there is still risk of infection and new variants that cannot be ignored. With this in mind, we will continue to exercise caution and have decided to review our risk assessments after half term; keeping our safety measures and practices much the same as they were on our return to school in March.

With this in mind, we would like to encourage parents to continue to wear face masks at the school gate when approaching the school staff and at pick up/drop off times and staff will also continue to do so to help minimise the potential risk of infection. We are sure you will understand our desire to keep the school open and our children, families and staff safe and healthy.

Also, you may have noticed that the staff have been doing a bit of gardening by the school entrance. We have cleared the flowerbeds and would now like to put in some new plants. In particular, we would like some rosemary bushes. If anyone could help us with this, we would be very grateful...

Thank you for your ongoing support.

With best wishes

Caroline Jarrett
