Absence

Thank you to everyone who phones in to school to report their child's absence. On some occasions we do not receive a phone call as to why a child is not at school and we have been asked to confirm the procedure that will be followed in event of no contact being made.

In the first instance we will try and contact the people listed on the contact sheet. If we cannot make contact to find out why the child is absent we are then advised to make a welfare check to the home and if there is no answer at home then the Police should be called.

Celtic Cross Education will be sending a new Attendance Policy home shortly which will explain the parents duty to call in and the welfare checks.

We appreciate that most of our parents ring to confirm non attendance as soon as they are able and we thank you for your help in this matter.

At Celtic Cross Education...
we nurture, we learn, we achieve together.
