Headlice

Headlice is a common problem in school but the following web-site has useful information to support you in getting rid of these little beasts: <http://www.nhs.uk/Conditions/Head-lice/Pages/Introduction.aspx>

If we notice that a child has head lice or nits (the empty egg shells), we will discreetly speak to their parent(s) and ask that the problem be tackled immediately.

Gone are the days when we are permitted to check children's heads ourselves. Please appreciate that whilst we do all we can to support parents with information and reminders of how to tackle the head lice problem, it CANNOT be the school's responsibility to overcome the problem; this has to be down to the parents. Unless EVERYONE is diligent in checking their child's head and treating the problem, we will not break the cycle and head lice will continue to be a problem.
Thank you.

Electronic Speed Signs

We have heard from the Council that the electronic 20mph signs that are outside school are due for renewal.

They will be removed from site the w/c 19/02 and all the civils work and new poles etc. will be completed during this week, however, they will not be able to install the actual signs until 27/02. There will therefore be no working speed signs from 19/02 - 26/02.

The Council apologies for any disturbance this may cause.
