## THANK YOU

Matt Pengelly and the PFA say thank you so much to the staff, parents and the children who helped out with our Big Spring Garden Clear-Up. It's made a real difference to the school environment and it's only the beginning. The tulips and daffodils are coming up and can soon be distributed around the school. Once the weather warms up then we have some new potatoes chitting in Matt's shed (stop sniggering at the back) they will go into the raised bed out front and the children will be able to see where chips come from and follow the progress of the nine numbered potato plants.

We will be making new plans after the Summer and will keep you updated.
