

# GRAMPOUND WITH CREED SCHOOL

Week beginning 20th May 2024

What a fantastic week it has been for our year 5 and 6 pupils who went away for their residential to North Devon this week. The behaviour and attitudes displayed by the pupils have made us beyond proud. Mrs Grubb, Mr Keyes and Mrs Fryer reported that the children were such a credit to our school, their families and themselves.

The children enjoyed archery, kayaking, stand up paddle boarding and the ultimate wipeout course as well as camp crafts and mountain boarding. They engaged in everything with a super positive can-do attitude and we're glad to have been a part of the memories they have made.

We hope that your half-term brings you special family time and hopefully some more sunshine! We look forward to welcoming you back to school on Monday 3rd June for our final half-term of the academic year.

Happy half-term!

Miss Jane

## HOUSEHOLD SUPPORT FUND

**We have been asked by Cornwall Council to share the information below with you in regard to the Household Support Fund**

**The entitlement criteria for automatic payments from the Household Support Fund is changing.**

In order to be entitled to a payment from the Household Support Fund scheme in 2024, you must be responsible for at least one child and on 3<sup>rd</sup> June 2024 either:

- be entitled to Council Tax Support or
- have been placed in emergency accommodation by the Council. You will receive £80 per child. If you are already in receipt of Council Tax Support, then you don't have to do anything else – you will receive your payment automatically.

To find out if you are eligible for Council Tax Support, please check the information here <https://www.gov.uk/benefits-calculators> .

You can make a claim for Council Tax Support by using this link <https://www.cornwall.gov.uk/benefits-and-support/council-tax-support/apply-for-council-tax-support/>

**It is important that you submit your application by 31<sup>st</sup> May 2024.**

You may also be entitled to help from the Household Support Fund via one of the Household Support Fund partners. Their details can be found here <https://www.cornwall.gov.uk/benefits-and-support/household-support-fund/>

### **Why have we made this change?**

Because entitlement to Free school meals has been protected since 2018, parents of children who are entitled to free school meals aren't always still on a low income. By using our Council Tax Support data, we can ensure that the Household Support Fund awards are going to parents who currently have a low income and are struggling with the increased costs of running their home. By better targeting the awards, we are able to help families with children of any age, rather than just school age children.

Families of children in receipt of free school meals can still access help through the Time2Move holiday programme. This scheme offers fun physical activities, games and wider activities plus a meal for all children during the main school holiday periods.

Rashes and skin infections	Recommended period to be kept away from school or childcare setting	Comments
Chickenpox and shingles	Five days from onset of rash and until all lesions have crusted over	Advise pregnant women to contact their GP if exposed and unsure if they have previously been infected
Cold Sores (Herpes Simplex)	None	Cold sores remain contagious until they are completely healed. They are generally mild and heal without treatment (7-10 days). Avoid kissing and close skin to skin contact of the sore - Don't share items that come into contact with the affected areas (cutlery / lip balm)
Hand, Foot and Mouth	None	Contact your UKHSA HPT if many children are affected. Exclusion may be considered in some circumstances
Impetigo	Until lesions are crusted over or 48 hours after antibiotic treatment has been started	Impetigo is highly infectious, and it is spread by direct contact. Antibiotic treatment speeds healing and reduces the infectious period
Measles*	Excluded as soon as measles is suspected until five days after the onset of rash	Contact UKHSA HPT as soon as measles cases are notified to the school. Preventable by immunisation (MMR x2 doses). Promote MMR for all pupils and staff. - Advise staff contacts who are pregnant, unimmunised or have weakened immune systems to contact their GP immediately
Molluscum contagiosum	None	A self-limiting condition. The lesions will resolve over time without any treatment
Parvovirus or Fifth disease (slapped cheek)	None (once rash has developed)	Request parents notify the school so that pregnant contacts can be advised to consult GP or midwife following exposure

Only pulmonary TB is infectious to others. Always consult your local UKHSA HPT before disseminating information to staff/carers
Whooping Cough* (Pertussis)	Until they have had 48 hours of appropriate antibiotic treatment and feel well enough to return. OR after 21 days from onset of illness if no antibiotic treatment has been taken	Preventable by vaccination. After treatment, non-infectious coughing may continue for many weeks. Your UKHSA HPT will organise any contact tracing necessary
