Message from Mrs Grubb

Dear Parents and Carers,

A huge amount of emotion and happy tears have come to me, as I write the final blog for this academic year. Reflecting on the year that we have had brings me such joy, knowing that the team here in school have shown such commitment, and our children have experienced some wonderful times and learning opportunities together. I am sad not to be here in September, but I will look forward to popping in every so often to visit everyone!

I would like to take this opportunity to thank you for your support as parents. For donating cardboard boxes, for providing costumes, for reading regularly at home, for showing genuine care for the staff over the past couple of months - the list is endless. The togetherness of our community here really is what makes Grampound with Creed so special.

As we look forward to the next academic year and a time of change for our school, I wish the children the best of luck in their new year groups. I am sure they will continue to work hard, thrive and succeed.

Wishing you all a fabulous summer holiday and start to the new term in September.

Mrs Grubb

If you are in need of some uniform we have a range of pre-loved items available for a donation. Please contact Mrs Warren on 07712262471 to discuss any items you need.

A message to parents and carers that rudeness towards staff will not be tolerated. The staff are here to keep your children safe in school, and as parents, your support is vital to ensuring that. Parents' conduct around the gate at drop off and collection is important and we do not promote smoking or littering on site. Many thanks.

Parents and carers urged to protect children against COVID

As COVID-19 cases continue to rise, parents and carers in Cornwall are being urged to get their children vaccinated ahead of the summer holidays.

Jabs are now available for all children over the age of 5 and child-friendly clinics are being set up at sites across the county.

The virus poses a risk to young people, both during the initial infection period and with longer-term health issues such as long COVID.

Vaccinating children can:

Prevent further disruption to their education and social activity from initial infection as well as from long COVID which affects over 8% of children.

Save lives by reducing the risk of infection to your child and to those around them, especially vulnerable and elderly family members.

Reduce symptoms if infected and reduce the likelihood of developing severe disease and lasting health issues – proven by over 15 studies.

Enhance future protection if a child has already had COVID-19.

All COVID-19 vaccines in the UK have passed all clinical safety trials to be approved by the UK's Medicines and Healthcare Products Regulatory Agency. This means they are safe.

Parents and guardians can book a vaccination appointment for their children online, or just walk in at their nearest walk-in clinic. To find out the details of their nearest walk-in site visit the [Grab a Jab](#) website.
