Our Vision Day

Yesterday, we celebrated the launch of our new vision; Be The Light. Every child learnt the story of Jesus telling others to never hide their lights and the children shared their aspirations and hopes for the future, reflecting on how they aim to make a difference to the world because of their wisdom and gifts. We reflected on the importance of having a school vision and the children identified that "It shows us a way forward" and "Something to look to".

Throughout the day, children created art work inspired by the teachings in Matthew 5:14, wrote prayers of thankfulness, learnt about inspirational people who've shone brightly and made a difference to the world such as Marcus Rashford and drew portraits of those who are the lights in their world. We were amazed at the children's reflections. Their ideas about what and who they want to be with god's love and guidance were meaningful and courageous.

We are so grateful to the parents and caterers who kindly donated food items for Truro Food bank this week - it was a pleasure to see the great amount of donations as we shared the importance of thankfulness during this week's Collective Worship. This was a special time to come together to share poetry, song and reflect on our wonderful world and the food we eat.

Parent Consultations

Next week, we look forward to welcoming you into school for your child's parent consultations. We hope this will be a valuable opportunity to find out about how your child is settling into the new school year, their reading journey so far and what they're working on next. For these meetings, please wait in the reception area where your child's class teacher will greet you.

Have a wonderful weekend.

Do you have a child born between 1 September 2018 and 31 August 2019?

If so, you will need to apply for a place in a reception class in September 2023 for that child by the deadline of **15 January 2023**.

Please note: you will need to apply even if your child attends a school's nursery or pre-school class. If a school is oversubscribed the fact that a child attends a school's nursery or pre-school, or a local nursery or pre-school, does not automatically guarantee a place at that school. The school's oversubscription criteria will be used to allocate places. Visit our website or contact us for more information.
