Together we grow in God's love... Loving, Learning, Living

Spring Term Newsletter Issue 15 - 4th March 2022

Message from Ms Jarrett

Dear parents and carers,

I hope everyone has had a wonderful half term break and managed to get some time to relax fully. The children have returned with renewed vigour and positivity for their learning which has been wonderful to see.

Thank you so much for your understanding over the closure of the school on Friday 18th February. Storm Eunice was just as bad as predicted in most areas and I was very thankful that our staff and families could be safe inside and not travelling to and from school.

This week has been our Book Week, focusing on Cornwall, Cornish books, Art and a trip to the Tate at St Ives. Our World Book Day was a chance to concentrate on our favourite Cornish stories. It was an amazing day with some real focus on the love of reading and a time to share and discuss our chosen books.

Our whole school trip to the Tate was very successful and the children learned a huge amount about Cornish artists such as Barbara Hepworth. The resulting artwork produced after this inspirational trip was quite breath taking! I'm sure you will have a chance to see some on Class Dojo.

As you will know, the rules around Covid have changed recently and I just wanted to confirm that schools have not changed their approach around self-isolation after a positive test result ... If a member of staff or a pupil test positive for Covid, we still expect that they will not come to school for the period of self-isolation.

This is 10 days, unless two consecutive negative lateral flow tests are obtained after day 5 (24 hours apart) at which point the self-isolation can end.

I'm sure that you will understand this is to keep all staff and children safe as we have those with medical vulnerabilities within our school community.

Thank you again for your understanding and your ongoing support,

With very best wishes,

Caroline Jarrett

Front Garden

As you might have noticed, the front garden is starting to look different. The garden has always been a huge task to keep on top of, but thanks to Nikki Warren, one of our kind parents, there is now a plan in place to 'revamp' the space and turn it into a more useable garden, which the children will eventually use to grow their own produce!

As part of the plans, we are looking for donations of the following items:

Treated timber to create some more raised beds
Giant plant pots
Bird bath
Hedgehog house
Swallow nests
Bird seed

If you are able to donate any of these items, this would be thoroughly appreciated!

Thank you
Mrs Grubb
