Dear parents and carers,

I hope this newsletter finds you all well...

I would like to update you on next year at Grampound with Creed School. I am very happy to tell you that we will be continuing with our three classes as they are with the same teachers and support staff working in each room.

Kwilkyn Class – Miss Coffee, Mrs Pryer and Miss Dalton

Lostledan Class – Miss Molden and Miss Evens

Pedrean Class – Mrs Hayes and Miss Humpage

I also wanted to share some wonderful news about our successful bids for a share of the Grantscape Windmill funds this year.

Our PFA was successful in a bid to buy books for the school and also some gazebos for those boiling hot sports days and summer fetes. For this they were awarded £1000.

The school itself also put in a bid for resources to support our wider curriculum. We wanted to be able to buy some permanent, high quality items to enhance our learning and were very pleased to be awarded £5000.

We will be starting to spend this money over the next few months so look out for any new items in school and in the playground that might appear!

I am very grateful to the PFA for their ongoing support and also for the help I received in putting together the school bid.

With best wishes for a lovely weekend. Caroline Jarrett

#### FREE FRUIT

We have been informed that the Government Funded free fruit scheme which runs for KS1 children has been suspended for the Summer Term so we are unable to offer free fruit.

## **Education Library Service — Summer Reading Challenge**

Organised by The Reading Agency ([www.readingagency.org.uk](http://www.readingagency.org.uk)) and the UK public library network since 1999, the Summer Reading Challenge is the UK's biggest annual reading promotion for children aged 4 to 11. Last year, in Cornwall 8166 children took part. These have been unprecedented times and we had to adapt to how this could still be delivered. The Reading Agency has created a Digital Summer Reading Challenge platform. The new platform provides a fun, immersive and safe environment for children to achieve their reading goals, play games and join reading groups.

This year's theme is Silly Squad, a team of animal friends who love to go on adventures and get stuck in to all different kinds of funny books. For 2020 it's all about funny books, happiness and having a laugh!

The Summer Reading Challenge combines FREE access to books with fun creative online activities; This year it has been extended and will be launched on Friday 5th June and run until mid-September.

### **How the Challenge works**

Children sign up online to the Digital Summer Reading Challenge <https://summerreadingchallenge.org.uk/>

The website will be free to access, featuring games, quizzes, digital and downloadable activities to incentivise and encourage children and their families to take part in the Challenge at home. Although library buildings are closed, libraries will also continue to deliver the Challenge through virtual services and e-lending platforms i.e. Borrowbox, Facebook and Twitter.

Children taking part this year will be asked to set their own reading goal and we are keen to see if this encourages take up and completion. However, we will still be suggesting six books as the best goal to try for. Children who complete their Summer Reading Challenge will be able to download a certificate.

## **School Uniform — Screenprint**

We have received an email from Screenprint about ways to order uniform for next term. I have attached a copy of their order form on the next page and Screenprint suggest you use this in the following way,

- a) to complete and then phoned through as an order – it can then be prepared and you will be informed when you can collect .
- b) emailed through (eg parent prints, fills in, and takes photo and sends back on email) to be then prepared and informed when they can collect .
- c) arrives at our premises with the form - we will have socially distanced safe queuing, thorough hygiene levels, sanitiser available, sneeze guards, staff in PPE, nb: no use of changing rooms.

Updates can be found on Facebook <https://www.facebook.com/cornwall.screenprint/?ref=hl>  
Please refer to website for additional information on sizing and please note no use of changing rooms.

Screenprint also suggest early (late June/July) purchasing as opposed to late August as they are foreseeing supplier bottlenecks. Any queries please ring them and I am sure they will help.
