

Week beginning 30th June 2025

Another busy week at Grampound with Creed this week!

We were thrilled to welcome PC Husband, who came in to lead a fantastic workshop all about online safety. Our children learned important tips about staying safe online, understanding privacy, and knowing what to do if they ever feel uncomfortable on the internet. It was a great opportunity for us all to think carefully about how we use technology safely and responsibly.

We're also celebrating a big achievement for our Year 4 and Year 5 pupils, who have just completed their final sailing lessons this week! They have shown incredible determination, teamwork, and courage on the water. Well done to all of them — we're so proud of how much they've learned and how confident they've become.

Looking ahead, we're very excited for our Year 5 and Year 6 students who will be heading to London next week! We hope they have a wonderful time exploring the city, making memories, and enjoying this special experience. We can't wait to hear all about their adventures when they return.

Have a lovely weekend, everyone!

Miss Jane

Dear Parent Carer

We are pleased to inform you that your child's primary school will be participating in the Partnership for Inclusion of Neurodiversity in Schools (PINS) Project over the next 12 months, with an aim explore neurodivergent children's experiences and help improve the support on offer to them in school.

The PINS project is part of a current national programme of partnership working between the Department of Education (DfE), the Department of Health & Social Care (DHSC), NHS England (NHSE), and Parent Carer Forums (PCF); to better support the education and health needs of neurodivergent children & young people within mainstream school settings across the UK.

As the PINS Project work is about to begin in your school, you are being invited to share your thoughts and experiences in relation to school via a survey by Parent Carers. Cornwall. The information from this survey will be used to understand your child's school's strengths and potential areas of improvement from your perspective as a Parent and/or Carer.

When this current phase of the national PINS Project comes to an end in March 2026, Parent Carers Cornwall will again invite you to complete another survey. This will be a new survey towards the end of our local project work, to understand what has changed for you and your child in relation to school over the course of your school's involvement in the PINS Project.

This survey is for ALL Parents and/or Carers of children attending participating primary schools in the PINS Project in Cornwall to complete, not just Parents and/or Carers of children with SEND or neurodivergent children (self-identified or diagnosed).

Please find the link to our survey here: https://www.surveymonkey.com/r/Summer25PINSsurvey

N.B. If you have more than one child attending the school, then you are welcome to complete the survey individually for each of your children attending the school.

If you would like to learn more about the PINS Project work in Cornwall, please visit the Parent Carers. Cornwall PINS Project webpage. There you can find details on the aims of the national PINS project, a list of schools that participated in phase I of the project in Cornwall, and information about our Locality Support Officers. The final list of the schools participating in phase 2 of the PINS Project in Cornwall will be published on the website shortly. The Parent Carers Cornwall website also contains details of regular free Parent Carer events & workshops; and is home to Cornwall's Neurodiversity Hub (which is part of the current Neurodiversity Profiling Tool offer across Cornwall).
