

GRAMPOUND WITH CREED SCHOOL

Week beginning 20th October 2025

This week, our school community came together for a special assembly focused on the different types of prayer. Children were encouraged to reflect on the importance of prayer in various forms—whether to give thanks, ask for help, say sorry, or simply to be still and listen. It was a thoughtful time of whole-school reflection that helped us all consider how spirituality plays a part in our daily lives.

Pupil Feedback

This week, we asked pupils across the school to summarise the school in one word. We're proud to share some of the lovely feedback they shared, especially as some of the reasons are so very heartfelt!

Non-Uniform Day Celebration

Today we enjoyed a colourful and relaxed non-uniform day as a treat for the children to celebrate the end of this half-term. The children looked wonderful in their favourite clothes, and it was lovely to mark the end of a hard-working term with a fun reward.

Looking Ahead

We are looking forward to welcoming you all to Parent Consultations during the first week back. You should have now receive confirmation of your appointment date and time. We hope you will find these meetings valuable opportunities to discuss your child's progress and celebrate their achievements so far this year.

Please remember that Monday 3rd November is an INSET Day - school will be closed to pupils on this day for staff training.

Have a wonderful half-term.

Miss Jane

Diary Dates

October

Half Term 27th–31st

November

3rd November – Inset Day
4th & 5th November – Parent
Consultations

7th November – Open the Book

11th November – Remembrance at St
Nuns

18th November – Tempest Individual
Photos

21st & 28th November – Hot Chocolate
Friday

This week's Attendance

Class 1
97.47%

Class 2
95.45%

This week's
Awards

Class 1

Elliot,

for shining your light with great work in
drawing club.

Class 2

Chase,

for showing yourself to be an incredibly
hard-working, considerate member of Class
2. You are working exceptionally hard this
year, and it hasn't gone un-noticed!

School Dinners

The cost for School Dinners is £2.80 which you order via Parentpay. If you are having problems, please contact the office.

Breakfast Club - 8:00am to 8:45am (£3.00)

After School Club - 3.15pm to 5pm (£7.00) Please book your child on MCAS or contact the school office for sessions book under Tax Free Childcare.

There will be no After School on the last day of term

Wraparound Care

School Uniform

Uniform can be purchased from Cornwall Screenprint who can be contacted on 01726 68689 or email infor@cornwallscreenprint.co.uk

School Office - 01726 882644

Email

gwc-secretary@rainbowacademy.org.uk

Contact Information

Sickness and Absences

Please be reminded that all absences must be reported by ringing the school office on 01726 882644. If your child has a cough or a cold they should still come to school unless you feel they are too unwell to be here; in which case they should stay at home and rest until they are well enough to return.

Important Notice

Important Notice! Any clubs or organisations who we advertise through our Newsletter and are not affiliated with Grampound with Creed School are reminded that they must have the necessary insurance, qualifications and DBS checks in place. This is to ensure the welfare of the children and is not the responsibility of Grampound with Creed School.

If you are in need of some uniform we have a range of pre-loved items available for £2 per item.

Please contact Mrs Trebilcock on 07541051537 to discuss any items you need.

Please ensure that the school is informed before 3.00pm if anyone other than parents are collecting your child/ren.

If you have a number of people who pick up, please contact the office to ensure that we know who they are and that they have permission on that day.

Summer Term After School Clubs

Mondays – Beyond Bored Games with Mrs Snell

Tuesdays – Football with Plymouth Argyle

Fridays – Art Club with Mrs Fryer & Miss Coombe

Monday 3rd November 2025

Friday 19th December 2025

Monday 5th January 2026

Monday 20th April 2026

Thursday 23rd July 2026

Residentials
2025/2026

Year 5 & 6 – Barton Hall

Special Menu—Lets Rock

Wednesday 5th November 2025

We will be having a special menu on Wednesday 5th November,
choose from

Rocket Dog/Meatball Sub or Vegetarian Rocket Dog/Meatball Sub
served with Whizz Bang Chips, Catherine Wheel Carrots and Cabbage.
followed by

Strawberry Sparkler Sundae, Yoghurt or Fruit.

All dinners will need to be ordered on MCAS after half term. If you
cannot see the special menu you will need to update the app. We have
been told that the Rocket Dog is for children 5 and above and the
Meatball Sub is for children under 5.

Thank you

Together  for Families

The
deadline for
applications is
**15 January
2026**

Do you have a
child born **between
1 September 2021
and 31 August 2022?**

If so, you will need to apply
for a place in a reception
class in September 2026 for
your child by the deadline
of **15 January 2026**.

Please note: you will need to apply even if
your child attends a school's nursery or pre-
school class. If a school is oversubscribed
the fact that a child attends a school's
nursery or pre-school, or a local nursery
or pre-school, does not automatically
guarantee a place at that school. The
school's oversubscription criteria will be
used to allocate places. Visit our website or
contact us for more information.

Visit www.cornwall.gov.uk/admissions
for more information and to access the
online application system.

We might inform someone if we were concerned about your safety but we would usually speak to you first. Messages are stored and can be seen by other health care staff who follow the same confidentiality rules. We aim to reply within 48 hours and you should get an immediate reply to confirm we have received your text. **Texts will not be seen outside working hours.** If you need help before you hear back from us contact your GP, nearest walk-in centre or dial 111. Our text number does not receive voice calls or MMS picture messages. We support messaging from UK mobile numbers only (not including messages from landlines, international numbers and some mobile apps). To prevent Chat Health from sending messages to you, text STOP to our number. Messages charged at your usual rates.

Guidance on infection prevention and control in schools and childcare settings#

Updated: November 2022

Remember you can help prevent the spread of infections by checking children have had their routine immunisations, maintaining a clean environment, and ensuring good personal hygiene (among staff and children), especially ensuring regular hand washing.

UK Health Security Agency (UKHSA) Health Protection Team
For outbreaks or advice please contact the UKHSA South West Centre HPT on 0300 3038162 or email SWHPT@UKHSA.GOV.UK

Rashes and skin infections	Recommended period to be kept away from school or childcare setting	Comments
Chickenpox and shingles	Five days from onset of rash and until all lesions have crusted over	Advise pregnant women to contact their GP if exposed and unsure if they have previously been infected
Cold Sores (Herpes Simplex)	None	Cold sores remain contagious until they are completely healed. They are generally mild and heal without treatment (7-10 days). Avoid kissing and close skin-to-skin contact of the sore. Don't share items that come into contact with the affected area (cutlery / lip balm)
Hand, Foot and Mouth	None	Contact your UKHSA HPT if many children are affected. Exclusion may be considered in some circumstances
Impetigo	Until lesions are crusted over or 48 hours after antibiotic treatment has been started	Impetigo is highly infectious, and it is spread by direct contact. Antibiotic treatment speeds healing and reduces the infectious period
Measles*	Excluded as soon as measles is suspected until five days after the onset of rash	Contact UKHSA HPT as soon as measles cases are notified to the school. Preventable by immunisation (MMR x2 doses). Promote MMR for all pupils and staff. Advise staff contacts who are pregnant, unimmunised or have weakened immune systems to contact their GP immediately
Molluscum contagiosum	None	A self-limiting condition. The lesions will resolve over time without any treatment
Parvovirus or Fifth disease (slapped cheek)	None (once rash has developed)	Request parents notify the school so that pregnant contacts can be advised to consult GP at midwife following exposure
Panton-Valentine Leucocidin (PVL)	None if they feel well	Individuals should not take part in contact sports or use communal gym equipment until their skin lesion has totally healed. For further guidance contact UKHSA HPT
Ringworm (fingert ringworm - athletes' foot)	Exclusion is not required for individuals with athlete's foot. Individuals with skin and scalp ringworm can return to school once they have started treatment with anti-fungal agents	Treatment is required
Rubella (German Measles)*	Six days from onset of rash	Preventable by immunisation (MMR x2 doses). See UKHSA document above. Advise pregnant staff contacts to seek prompt advice from their GP
Scabies	Until after the first treatment has been completed	Household and close contacts require treatment at the same time. In the event of 2 or more suspected cases, contact UKHSA HPT
Scarlet Fever*	Exclude until 24 hours of appropriate antibiotic treatment complete	A person is infectious for 2-3 weeks if antibiotics are not administered. In the event of 2 or more suspected cases, contact UKHSA HPT
Verrucas and Warts	None	Verrucas should be covered in swimming pools, gymnastics and changing rooms
Respiratory infections	Recommended period to be kept away from school or childcare setting	Comments
COVID-19	Until temperature has resolved and they are well enough. If tested positive, child should stay home for 3 days.	Report outbreaks in line with local policy
Flu (influenza)	Until recovered	Report outbreak to your local UKHSA HPT
Tuberculosis*	When diagnosed with TB a treatment team will assess whether other people are at risk of infection and require screening	Requires prolonged close contact for spread. Only pulmonary TB is infectious to others. Always consult your local UKHSA HPT before disseminating information to staff/carers
Whooping Cough* (Pertussis)	Until they have had 48 hours of appropriate antibiotic treatment and feel well enough to return. Off after 21 days from onset of illness if no antibiotic treatment has been taken	Preventable by vaccination. After treatment, non-infectious coughing may continue for many weeks. Your UKHSA HPT will organise any contact tracing necessary

Outbreak Action Cards and Poster Centre
[Bt.Jy/OutbreakActionCards](#)

Diarrhoea and vomiting illness	Recommended period to be kept away from school or childcare setting	Comments
Infectious Diarrhoea and Vomiting (Gastroenteritis) Bacteria Campylobacter Salmonella Shigella (bacterial dysentery) E.coli O157 Viruses Rotavirus Small round structured viruses (e.g. Norovirus or Winter Vomiting Disease) Parasites Cryptosporidium Giardia	Should be regarded as very infectious and must be kept away from school until the diarrhoea and vomiting has stopped for at least 48 hours They must have been passing normal stools for at least 48 hours Some Gastro infections (like E.coli O157) require microbiology clearance and UKHSA will advise on these	An infection in the gut causing diarrhoea and vomiting (gastroenteritis) can be easily passed to others. Good hygiene, in particular handwashing and environmental cleaning, are important to minimise any danger of spread. Exclusion from swimming is advisable for two weeks after the diarrhoea has settled. If an outbreak occurs, consult UKHSA HPT A diarrhoea and vomiting checklist for schools can be found in the UKHSA health protection in schools guidance (QR code above)

Other infections	Recommended period to be kept away from school or childcare setting	Comments
Conjunctivitis (bacterial or viral)	Exclusion is not required unless they are particularly unwell	Advise parents to seek advice immediately if there is a possibility their baby has infective conjunctivitis. If an outbreak/cluster occurs, consult your UKHSA HPT
Diphtheria*	Exclusion is essential. Always consult with your UKHSA HPT	Preventable by vaccination. Family contacts must be excluded until cleared to return by your UKHSA HPT. UKHSA HPT will organise any contact tracing necessary
Glandular Fever	None	Spread is by saliva, usually through kissing or being in close contact with a carrier
Head Lice	None	Treatment is recommended only in cases where live lice have been seen
Hepatitis A*	Exclude until seven days after onset of jaundice (or seven days after symptom onset if no jaundice)	Household contacts of individuals with Hepatitis A may occasionally require exclusion from school. Contact local UKHSA HPT who will advise on any action needed
Hepatitis B*, C*, HIV/AIDS	None if they are well enough	Hepatitis B and C and HIV are blood borne viruses that are not infectious through casual contact. See UKHSA guidance document above
Meningococcal Meningitis*/Septicemia*	Until recovered. There is no reason to exclude any siblings or other close contacts of the case from school	Meningitis ACWY and B are preventable by vaccination. Contact local UKHSA HPT who will advise on any action needed
Meningitis* due to other bacteria	Until recovered	Hib and Pneumococcal Meningitis are preventable by vaccination. Contact local UKHSA HPT who will advise on any action needed
Meningitis viral*	Until recovered There is no reason to exclude any siblings or other close contacts of the case from school	Milder illness than bacterial meningitis.
Measles (paramyxovirus)*	Exclude child for five days after onset of swelling	It is very contagious and spread in saliva, the same way as a cold or flu. Preventable by vaccination (MMR x2 doses). Promote MMR to pupils and staff
Worms (infestations including hookworm, roundworm, tapeworm, threadworm, and whipworm)	None	Treatment is recommended for the child and household contacts

Pre-school, nursery, or childminder

* denotes a notifiable disease. It is a statutory requirement that doctors report a notifiable disease to the proper officer of the local authority (for some local authorities, this may be UKHSA). In addition, you may need to inform other regulating bodies, for example Office for Standards in Education (OFSTED) or Care Quality Commission (CQC). Please follow local policy.
